IMPORTANT INFORMATION YOU NEED TO KNOW BEFORE YOU RETIRE

Financial Advice

Research has proven that receiving good independent financial advice can make a substantial difference to an investment outcome. If you are not comfortable making your own investment decisions, consider using the services of an independent financial adviser (IFA). To locate an IFA in your area, refer to the 'Find an adviser' section of our website. Itransact is a licensed financial services provider for the purposes of distributing and administering this investment product. Itransact does not provide financial advice.

Make an informed decision

Ensure you understand the terms and conditions of this product before you withdraw. Please consider the tax implications. Refer to our product fact sheets, brochures, fee disclosures and research made available on our website.

Withdrawal versus retirement from the fund

You may retire from your account instead of making a withdrawal after the age of 55. The tax implications of withdrawing versus retiring from your retirement fund are very different. We encourage you to obtain tax advice before you exercise your options.

Before you retire

- Only complete this form if you have reached retirement age (55 or older) or if the trustees of the Fund have approved your request for early retirement.
