

Index Solutions Balanced A

2026-06-30

The portfolio's objective is to offer diversified exposure to domestic and international equity, fixed income, real estate, and money market asset classes while maintaining a high level of risk. The portfolio complies with Regulation 28 of the Pension Funds Act.

Each investor owns a fully segregated portfolio that we manage individually. We calculate the fact sheet performance by aggregating all investors in the portfolio. Individual portfolios may vary due to differences in investment size and timing.
