ITRANSACT (FSP 650)

Investment products offered by the Itransact Investment Platform are subject to market and other risks. It is the investors responsibility to ensure that these risks are understood before making an investment with Itransact. Investment returns will fluctuate and are subject to market volatility, and when bought or sold, may be worth more or less than their original value. Past performance is not a guide to the future performance. The information provided in this publication, which may include opinions, estimates, indicative rates, terms, price quotations and projections, reflect the existing judgment, information and conditions provided by third parties, contributing authors and various market conditions. Judgment, information and conditions are subject to change without notice, modification or amendment. Information provided by Itransact does not necessarily reflect the opinion of Itransact, its officers, employees or appointed agents. Information herein has been obtained from various public sources, and third parties and Itransact herewith indemnifies itself from any inaccuracy. Itransact recommends that independent tax, accounting, legal and financial advice be sought should any party seek to place any reliance on the information contained herein. This publication may contain 'forward-looking' information. Such information may include, among other things, projections and forecasts. There is no guarantee that any forecasts made will come to pass. Reliance upon information provided by Itransact is at the sole discretion of the user and does not constitute a recommendation, offer or solicitation to buy or sell any products available from Itransact or to adopt any investment strategy based thereon. Unauthorised use or disclosure of information provided by Itransact is prohibited and may not be reproduced and distributed without the express written consent of Itransact. Itransact does not provide investment advice. All rights reserved.
